I see the friction, find the leverage, and move things forward.
I'm the asset you need.

PROFESSIONAL EXPERIENCE

TRANSCOM NA | Remote

Senior Technical Support Specialist | 2018 to 2025

- Maintained 95%+ First Contact Resolution, 90%+ Customer Satisfaction, and 100% Quality Assurance compliance in a high-volume technical support environment.
- Managed technical support tickets, troubleshooting hardware, software, account, and system. Utilized CRM and ticketing systems to document technical issues, manage cases, track resolutions, maintain accurate records, and support knowledge management.
- Collaborated cross-functionally to resolve complex issues, improve service delivery, and enhance customer experience.
- Identified recurring trends and contributed to process improvements, knowledge documentation, and workflow optimization.

CLEVELAND HOUSING NETWORK | Cleveland, OH

OUTREACH SPECIALIST | 2008 to 2017

- Managed 3,000+ client cases annually while maintaining less than 2% error rates and meeting regulatory deadlines.
- Coordinated end-to-end client operations, including scheduling, documentation management, eligibility review, utility coordination, and compliance tracking.
- Resolved complex client issues through investigation, stakeholder communication, and cross-functional coordination.
- Built trusted relationships with clients, vendors, and community partners to improve service outcomes.

- Identified workflow improvements that increased processing efficiency and documentation accuracy.
- Recognized as a top-performing specialist for productivity, quality, and service delivery.
- CEOGC | Cleveland, OH
OUTREACH WORKER | 2001 to 2008
- Consistently ranked among the highest-producing specialists on the team, exceeding productivity and service expectations.
- Managed client support operations, including intake, documentation management, outreach coordination, records maintenance, and compliance tracking.
- Resolved client concerns through problem-solving, stakeholder communication, and resource coordination.
- Trained and mentored new team members on procedures, documentation standards, and customer service practices.
